

FISCAL NOTE

HB 2613 - SB 3429

February 20, 2006

SUMMARY OF BILL: Exempts state licensed engineers or registered engineer interns from the bond requirements for eligibility as a soil consultant, soil scientist, performer of percolation tests or installers of subsurface sewage disposal systems. The bill also removes the exemption for such bond requirement for licensed professionals in possession of valid errors and omissions insurance.

ESTIMATED FISCAL IMPACT:

MINIMAL

Assumption:

- These exemption changes would have no impact on state or local government revenues or expenditures. Any fiscal changes would be experienced by the private sector.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "James W. White". The signature is fluid and cursive, with the first name "James" written in a larger, more prominent script than the last name "White".

James W. White, Executive Director
